

*This survey is to help us improve the class. Please share your honest opinion!*

1. Which activities do you enjoy most in our class? (check all that apply)

- |                                                        |                                                        |                                                              |
|--------------------------------------------------------|--------------------------------------------------------|--------------------------------------------------------------|
| <input type="checkbox"/> listening activities          | <input type="checkbox"/> speaking activities           | <input type="checkbox"/> talking about current events        |
| <input type="checkbox"/> reading a novel outside class | <input type="checkbox"/> discussing the novel in class | <input type="checkbox"/> creating story maps for the novel   |
| <input type="checkbox"/> giving peer feedback          | <input type="checkbox"/> writing a journal entry       | <input type="checkbox"/> reading newspaper articles in class |
| <input type="checkbox"/> other: _____                  |                                                        |                                                              |
| <input type="checkbox"/> other: _____                  |                                                        |                                                              |

2. Which activities do you enjoy least in our class? (check all that apply)

- |                                                        |                                                        |                                                              |
|--------------------------------------------------------|--------------------------------------------------------|--------------------------------------------------------------|
| <input type="checkbox"/> listening activities          | <input type="checkbox"/> speaking activities           | <input type="checkbox"/> talking about current events        |
| <input type="checkbox"/> reading a novel outside class | <input type="checkbox"/> discussing the novel in class | <input type="checkbox"/> creating story maps for the novel   |
| <input type="checkbox"/> giving peer feedback          | <input type="checkbox"/> writing a journal entry       | <input type="checkbox"/> reading newspaper articles in class |
| <input type="checkbox"/> other: _____                  |                                                        |                                                              |
| <input type="checkbox"/> other: _____                  |                                                        |                                                              |

3. In the past two weeks, I feel that I have learned (check one)

- nothing                       some, but not enough                       a lot

4. In the next few lessons, I am interested in learning about:

---

---

5. In the next few lessons, I hope the teachers can help me with:

---

---

6. Do you have any other suggestions, problems, or comments about the class?

---

---

---

---

---

---

---

---

---

---

***Thank you for taking the time to answer these questions!***
