

*Directions: The following graph shows the change in mentally ill Americans held in prisons and mental hospitals. You will be asked to deliver a 2-minute formal presentation to your partner. Take 5 minutes to study the graph and organize your thoughts. In your presentation, be sure to address the following:*

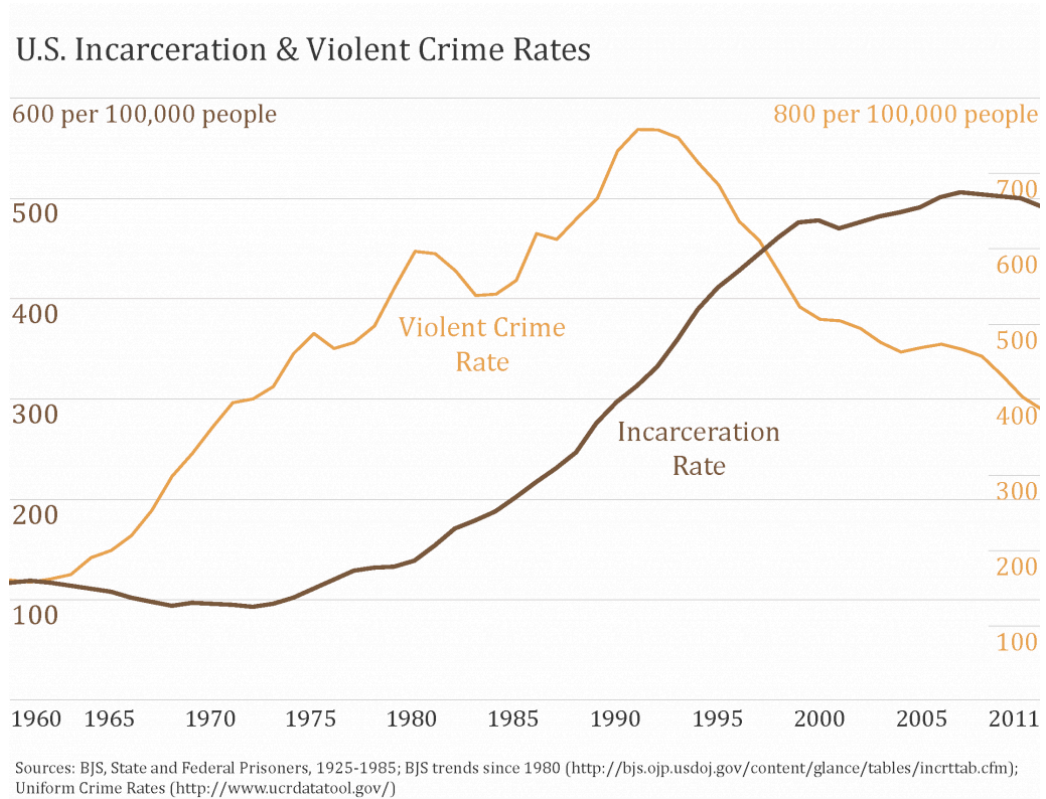

1. What information is the graph presenting?
2. Why is this information important?

*Use this area to brainstorm and organize your thoughts. This will not be graded.*

Directions: The following graph shows the change in U.S. incarceration and violent crime rates. You will be asked to deliver a 2-minute formal presentation to your partner. Take 5 minutes to study the graph and organize your thoughts. In your presentation, be sure to address the following:

1. What information is the graph presenting?
2. Why is this information important?

*Use this area to brainstorm and organize your thoughts. This will not be graded.*
